## **ADVISORY TO THE PUBLIC**

### *Partial Road Closure Needed to Support System Improvements*

(Fadian, Mangilao) – Guam Power Authority (GPA) advises the public of a partial road closure in Dededo scheduled from **Saturday, September 13, 2025 at 8:00 a.m. to 6:00 p.m.** then again, the following day, **Sunday, September 14, 2025 from 8:00 a.m. to 6:00 p.m.**

GPA crews will be performing system improvements along Route 1, Marine Corps Drive from the Harmon Substation towards LMS (by the Micronesia Mall). This will finalize the transmission line work feeding power into the Ukudu Power Plant. **As overhead work is being conducted on the southbound side (Harmon Substation), the outer two southbound lanes will be closed off. The inner southbound lane will remain open for through traffic.**

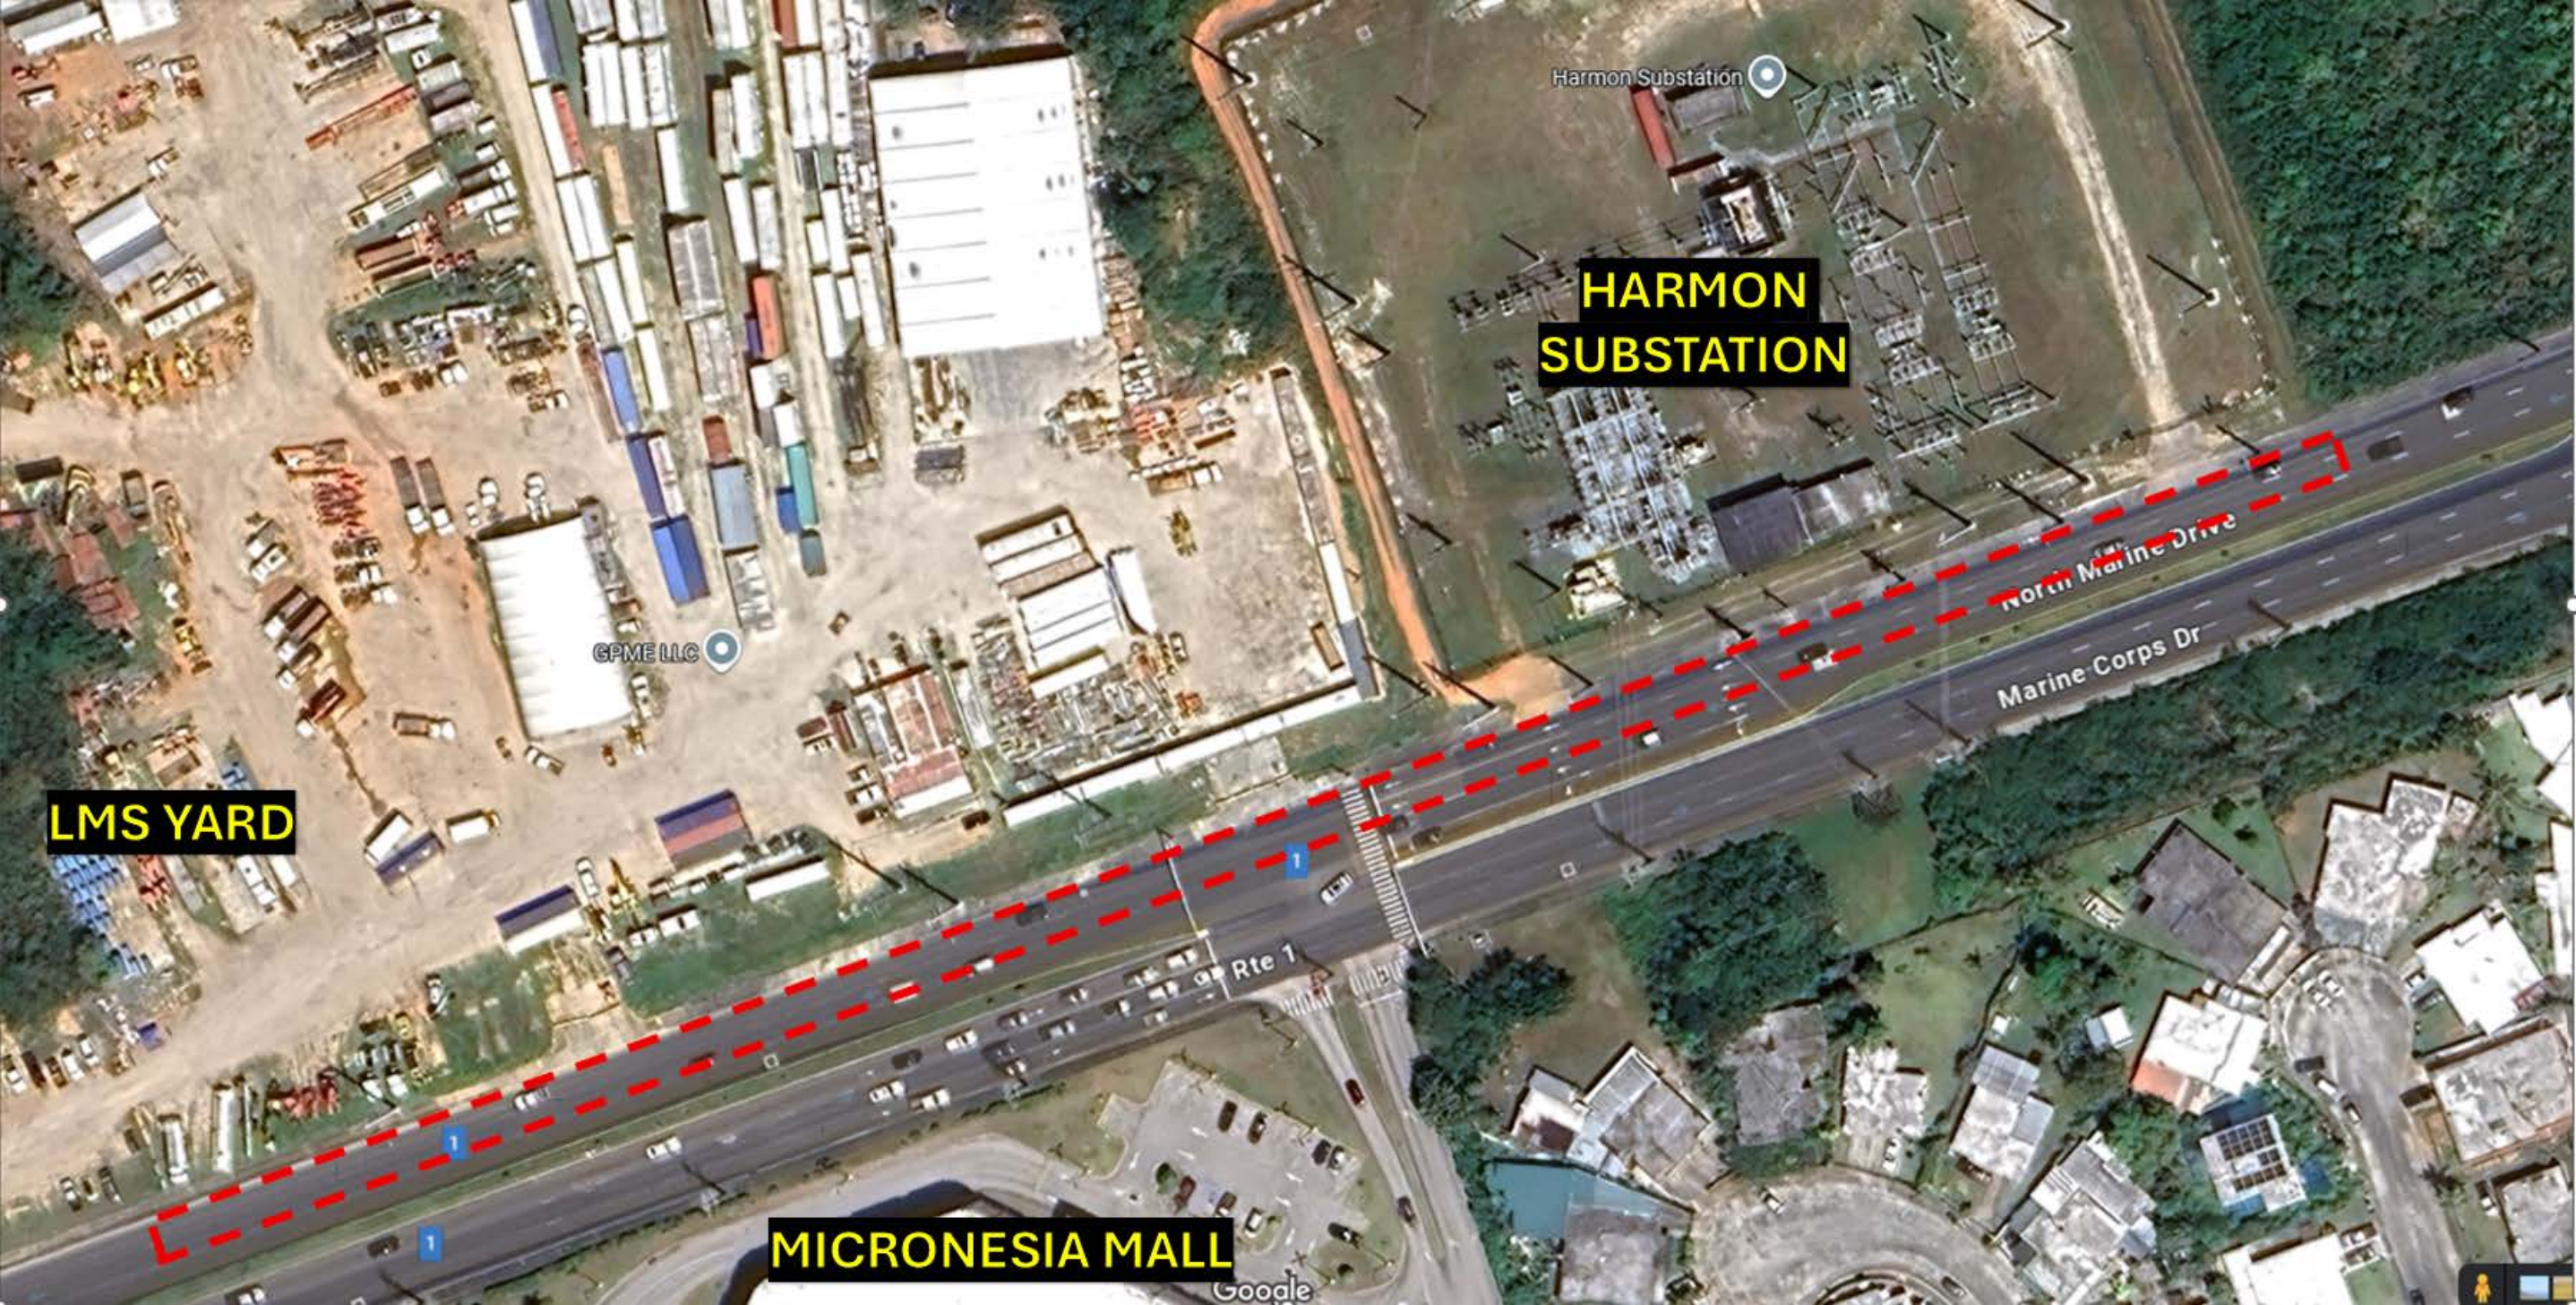

Motorists should expect traffic delays as work is being performed in this area. Road closures are necessary in order to ensure the safety of the line crew and other personnel. Highway road signs will be visible to direct motorists as work is being performed in this area. In the event the work is completed earlier than scheduled, lanes will be reopened shortly thereafter.

We apologize for any inconvenience this may cause. To get the most up-to-date information, please visit our website at [www.guampowerauthority.com](http://www.guampowerauthority.com) or social media pages.
