ADVISORY TO THE PUBLIC

GPA to Perform Vegetation Trimming along Route 4 – Partial Lane Closure

(Fadian, Mangilao) – The Guam Power Authority (GPA) advises the public that crews will be conducting vegetation trimming in and around the village of Malessó' on **Saturday, October 25, 2025**, from **8:00 a.m. to 2:30 p.m.**

Crews will be working along **Route 4**, from **Malessó' Pier to Merizo Super Market**. During vegetation trimming, one lane will be closed for short durations at a time. Motorists may experience traffic delays while traveling through this area and are advised to adhere to traffic control signs and flagger instructions.

Vegetation trimming is part of GPA's year-round preventative maintenance. Recent heavy rainfall has accelerated growth near power lines in certain areas.

As a safety reminder for customers, only GPA crews or GPA's authorized contractors should trim trees near power lines. Always stay away from downed lines or equipment, as they may still be energized and pose a serious danger.

If you need assistance with tree trimming near power lines or notice trees or objects in contact with power lines, do not attempt to handle it yourself. Please report the issue immediately to:

- **GPA 24-Hour Trouble Dispatch:** (671) 475-1472/3/4
- **GPA Customer Services:** (671) 647-5787/88/89

Please provide exact location or address, contact information and condition of location.

GPA appreciates the public's patience and cooperation at this time. We apologize for any inconvenience this may cause.
