The New Power Plant Plays a Vital Role in GPA's Long-Term Cost Savings Plan

GPA's Clean Energy Master Plan

GPA's Clean Energy Master Plan (CEMP) is a comprehensive plan for transitioning Guam from legacy fossil fuel fired generation to renewable energy and non-greenhouse gas emissions electric energy supply. The Clean Energy Master Plan is a living document and is continuously being updated. GPA is committed to providing 50% of the island's electric power from renewable or non-greenhouse gas emissions sources by 2030 and 100% 2045.

The CEMP is a balanced plan including targets for renewable energy, energy resilience and security, energy efficiency, grid transformation, energy affordability, digital transformation, and transportation electrification.

Scan to learn more about GPA's Clean Energy Master Plan.

Your Renewable Energy Resources are Expanding

Our Road Map to Lower Power Bills:
GPA's Clean Energy Master Plan

We've added 85MW utility scale solar into the grid and we'll be adding more in the next 5 years.

Currently, we've reached

12% Renewable Energy

50% Renewable Energy by 2030

100% Renewable Energy by 2045

40MW Utility Scale Batteries

Baseload Units on Cleaner Fuel + renewable

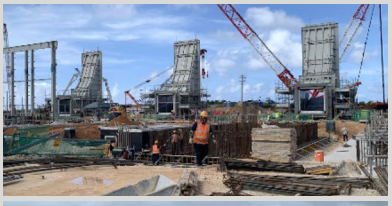

New Efficient Baseload Units
Coming in 3rd QTR of 2024
25% of power will come from renewable energy generation

Renewables with Batteries

Compliance

End Goal:
LOWER BILLS and CLEANER AIR

New 198MW Ukudu Power Plant Progress

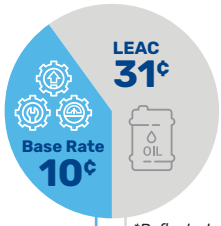

Photos (top to bottom):
1. Control & Electrical Building
2. Heat Recovery Steam Generator (HRSG) Inlet Ducts
3. ULSD Fuel Storage Tanks
4. Treated Water Storage Tanks
5. Gas Turbine Foundations
6. Steam Turbine Foundations
7. Cooling Tower Foundation

GPA's base rate remains at 10 cents and has not increased since 2013.

A base rate of 10¢ per kilowatt hour pays for the operations of GPA:

- **Transmission & Distribution**
  Cost to transmit and distribute electricity
- **Administrative & General**
  Costs related to the general administration of the utility's operation to include employee retirement costs
- **Energy Conversion Cost**
  Costs paid to independent power producers to maintain continuity of power supply
- **Other Production**
  Operating and maintenance cost to run the plants
- **Customer Accounting**
  Costs related to the general direction and supervision of customer accounting and collection
- **Debt Service**
  Payment to long term loans such as bonds and capital leases

Your utility bill comprises of two parts: the fuel recovery charge (LEAC) and the base rate.

Reflected as* **Energy Charge *on monthly bill.*

Reflected as* **Fuel Recovery Charge *on monthly bill that covers the cost of fuel.*

**Based on approved fuel recovery charge or LEAC rate of $0.318576, effective as of Feb. 1st 2023 to July 31st, 2023.*

GPA Website Has Gotten a New Makeover

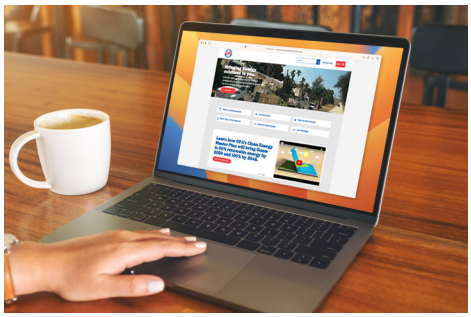

GPA has improved with new features to make your customer experience better. With our new look and feel and easier navigation, you can find all the information you need in just a few clicks! And the best part is... there is more to come!

A few features to expect...

Find what you need quickly.
We've designed an intuitive navigation menu that makes it easy to find the information you need quickly and easily.

Easily accessible tools and services.
With quick links to GPA customer service portals and online tools, you can now get where you need to go even faster.

Stay connected with our monthly e-newsletter.
Never miss out on important updates from GPA by signing up for our monthly e-newsletter! Keep up with the latest news, updates, and special offers from GPA straight in your inbox.

CCU Oath of Office Inaugural Ceremony for Newly-Elected Commissioners

In a Consolidated Commission Utilities (CCU) Special Meeting and Administration of the 11th Oath of Office inaugural ceremony on Thursday, January 12, 2023, newly elected Consolidated Commission on Utilities (CCU) commissioners Simon A. Sanchez II, Francis E. Santos and Michael T. Limtiaco were sworn to serve as CCU commissioners.

The honorable F. Philip Carbullido, Chief Justice of the Supreme Court of Guam certified the certificates of election and administered the oath to reelected commissioners Sanchez, Santos, and Limtiaco, in the ceremony conducted at the Gloria B. Nelson Public Service Building, 3rd Floor CCU Boardroom in Fadian, Mangilao.

Following the administration of the 11th oath of office, the CCU commissioners elected Joseph (Joey) T. Duenas to lead the commission as CCU Chairperson; commissioner Francis E. Santos as Vice-Chairperson; and Pedro Roy Martinez as Secretary.

From left to right; Pedro Roy Martinez, Francis E. Santos, Joseph (Joey) T. Duenas, Michael Limtiaco, and Simon A. Sanchez II.

Established by law in 2002, the CCU's purpose is to exercise powers vested in them by the laws establishing the Guam Power Authority ('GPA') and the Guam Waterworks Authority ('GWA') and serves as its board of directors. The CCU is comprised of five (5) commissioners elected at-large by the voters of Guam in a General Election.

More detailed information on the Consolidated Commission on Utilities is available at www.guamccu.org.

Ways to Pay Your Bill

NOTICE: For those who make utility payments at the bank, be sure to check with your bank for their updated policies.

Online
Visit PayGPA.com or Download the Pay GPWA App

PayGPWA mobile app

You can also pay your GWA water bill on the app.
